

Hi

If you're getting this email, it's because you recently grabbed my book *My Fair Assassin* for free, and I truly hope you enjoyed it. I'm furiously working to get the second book finished as soon as possible, but I know it absolutely stinks to have to wait for books to come out in a series. Fortunately, I just finished up *The Healer Series*. Four full length books that I think you'll enjoy. If you'd like to give the series a try you can do any of the following:

1. Grab the first book, *The Healer*, for free on [Amazon](#), [B&N](#), [Kobo](#), or [iBooks](#). (Note: I'm still working with Amazon to get *The Healer* priced as free on all of the Amazon sites. If for whatever reason it isn't free on your country's site just respond to this email to let me know. I'll be sure to get you a free copy.

2. Grab the first three books in *The Healer Series Box Set* for \$1.99 on [Amazon](#)

If you didn't enjoy *My Fair Assassin* or if you don't want to receive any more emails from me all you have to do is unsubscribe by clicking on the unsubscribe link at the bottom of this email. I'll be sad to see you go, but I completely understand that my books aren't for everyone.

I hope you'll stick around though. I usually send out one or two emails a month letting everyone know about free books and giveaways. Plus, once a month I pick a random winner from you wonderful readers to receive a paperback copy of one of my books. Plus, you'll always be notified about new releases I have in the future.

Okay, that's it for now. I hope you get started on *The Healer Series* as you wait for the next book in the *Paranormal Misfits Series* to come out. Take care and have a fabulous day.
